

CARE PACKAGES

Since the start of the war on terror, we have sent over 40,000 boxes of food and toiletries to our troops overseas. Below you will find a list of items that are needed by our troops. The troops often carry everything with them, so please collect **travel-sized items**.

We will gratefully accept the following item donations as well as monetary donations to help defray the cost of the postage to send the boxes to our dedicated troops serving around the world. The average cost of postage for care packages is \$12.00 per box.

You may contact our Care Package facility directly at the number below or refer to our web site for a drop-off location nearest you. Please be sure to date check **ALL** items being donated. If items are expired we are unable to ship to our service members. When dropping items at a drop off location, be sure to note donor information on your box no larger than 11" x 17" x 9 1/2" (copy paper box) and weighing no more than 30 lbs.
Thank you for supporting our troops!
